

ENVIRONMENTAL POLICY

It is the policy of General Cleaners Co. Ltd. to conduct its business in a socially responsible manner by preserving the balance between environmental and socio-economic needs of the community in which it operates. General Cleaners Co. Ltd is committed to an ongoing effort to continually improve its internal processes to minimize environmental impact and enhance environmental performance.

Consequently it is the company's policy to:

- *Comply with all applicable environmental laws and regulations*
- *Encourage concern and respect for the environment and train staff to embed the right level of awareness to enhance effective Policy adoption.*
- *Promote the principles of REDUCE, RE-USE and RECYCLE across the organization.*
- *Communicate its Environmental Policy to all its stakeholders including employees and the general public upon request. The organization aims to cultivate an environmentally aware culture with its internal (employees) and external interested parties (clients, service providers and general public).*
- *Target incident prevention and adequate control of waste and energy consumption.*
- *Respond quickly and effectively to incidents resulting from its operations cooperating with competent authorities and key external stakeholders.*

General Cleaners Co. Ltd. undertakes regular and appropriate reviews of its performance to ensure compliance with this policy and achievement of the set environmental objectives and targets.

General Cleaners Co. Ltd. is committed to ensure environmental compliance in line with the requirements of ISO14001:2015.
